PRESIDENT'S MESSAGE

Hello Sisters & Brothers,

We are so very proud of our members and the work we have been able to accomplish in these interesting times. There have been some challenges during this new pandemic world, but we seem to be holding our own.

I would just like to remind our members that we are expected to keep ourselves busy when our workload is less than normal. There have been some issues with time theft in some work units. This is a very serious violation of the City policy and the Local 37 collective agreement. We must remember to follow the collective agreement when taking our breaks.

The rest period for Local 37 remains the same:
One 20 minute rest period in the first half of a 9.5 hour shift and one 20 minute rest period in the second half of a 9.5 hour shift. In a 12 hour shift, we are allowed a 30 minute break in the first half and another 30 minutes in the second half of the shift, or three 20 minute breaks in the complete shift.

If we violate these policies, the consequences may lead to discipline, or even worse, termination. Please do not put yourselves in this position. We all want to do our work and go home safely at the end of our shift.

Thank you, Cyril Wilson, President

Treasurer's Report

Greetings Sisters and Brothers,

The City has changed the Employee & Family Assistance Program (EFAP) Provider; it is now LifeWorks. The new phone number is 1-877-700-1424 and you can go online at login.lifeworks.com and even download an app from Apple App Store or Google Play.

Alberta Health Services (AHS) does not direct bill Green Shield (GS) for ambulance ride fees. You must submit the bill and GS will direct pay AHS so you don't have to.

With the current COVID upswing, please be safe and careful out there and don't forget in order to get your free hat, toque or t-shirt, etc., you MUST call and book a time to come to the Union Hall. Thank you for your understanding.

In solidarity, Jody Sallans, Treasurer

Recording Secretary's Update

Hello Sisters & Brothers,

I want to put out a friendly reminder to please be aware of your provincial driver's license expiration date! Please sign up with My Alberta eServices for timely reminders about expiry dates. Many private registries offer this auto reminder service too. It is our responsibility to ensure that our license is valid and current. We do not want to see any disciplines handed out by the employer for this reason.

As always, I welcome and encourage you to reach out to me with ANY questions or concerns, as I feel communication is our best resource in this ever-changing world.

Stay safe!
Thank you,
Matthew Sjogren, Vice President / Interim Recording Secretary
