DAFYDD URQUHART

I am currently acting as your Recording Secretary.
This last year was the latest step in my union journey of seventeen years. I was proud to be part of the Bargaining Committee that negotiated our current favourable contract. Chairing our Social Committee and greeting our members in person is another highlight. My time here as a **Full Time Officer** has given me the education & experience to best represent our voices together as we work to strengthen our unity. I believe in our union and hope that you will continue to believe in me.

BILL STEVENSON

Being with the City for the past 15 years, in both non-unionized and unionized placements, I have experienced both sides of the coin. I've been a member of Local 37 these past 4 years moving from the position of Trustee to an Executive-at-Large. **YOUR VOTE** allows me a seat on the Bargaining Committee, as Assistant Sergeant-at-Arms. You will have a representative of Recreation with 30 plus years of experience and my expertise with multiple unions will be an asset at the bargaining table come October.

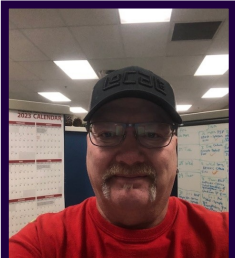

BRADLEY WILSON

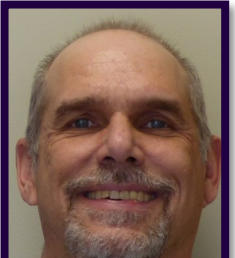

Sisters & Brothers, I am asking for your vote of confidence in the upcoming union election for the position of Assistant Sergeant-at-Arms. I am very excited to be part of this new executive group, as we work hard everyday for our members to keep our quality of life and work balanced with the least amount of uncertainty for our future. Working hard for you (the Membership) is something I love to do and cannot wait for bargaining to begin and to have the chance to have a say in our futures. Thank You.
